

I wrote this last month  
but I would like whomever to read  
it. My situation.

To Whom this MAY concern,

12/21/20

My NAME is Dominic Desmond Miller  
I'm At the Marion County Jail For A Few Charges.  
(1) Burglary Habitation (2) Poss CS PCI which they gave me  
time Served And I never saw A Judge nor did I sign  
any papers, but mind you I was on Parole I was  
having A Parole hearing And they just brought me A paper  
saying time served. My rights was violated when I got  
here they gave me Bonds super high but I never had  
A warrant from Parole, but my Civil Rights was violated  
because they gave me A no Bond For Parole And my Parole  
OFFIER came like 5 days ~~later~~ <sup>LATER</sup> which I would have not  
had Any holds. (3) Evading Arrest Det w/Prev (4) Assault Causes  
BI FAM. Mind you I've been here this year For the same  
charges For the same person. Not to mention the Jefferson  
Jimplicite Newspaper had A story about me in there For  
Rape and Kidnapping which never happened about the same  
person my ex girlFriend which denied that any of these  
things ever happened. But I took 3 years probation For A  
Misdemeanor and A state Jail Felony. Right now the DA is  
offering 8 yrs TDC and 2 years state, but I didn't do  
these crimes And my Ex GirlFriend has wrote A letter  
saying I did <sup>not</sup> Mind you she has A Drug problem And she  
admits to it that she reached out to her probation ~~officer~~ <sup>OFFICER</sup>  
about her drug uses then to shes willing to help Free me  
because I never did any of these things. How can I break  
into A house I'm Already living in, and then to have I  
get time served without seeing A Judge, plus never was  
there A Signature with my hand writing on it saying I  
had drugs when was it sent to A Drug LAB?. And the  
~~Evading Arrest~~ Evading Arrest like I've been saying since day 1

My Life My Ex had a few dudes  
going with plus Police where I saw  
where they were planning to set me up.  
(Jason Carroll) which was part of  
I Raped (Ms. Sierra Harris) My Ex.  
The DA in Marion County is  
suffering and trying to give me time  
charges, but never brought up the  
the newspapers Rape and Kidnapping.  
It was a few people that called me  
illeg charges on me. I don't have  
I've never had money I grew up without.  
She was ~~able~~ able to do what she  
make sure we had what we needed and  
My Mother and Father is doing their  
and get me home right now. So I'm  
going to be honest that whomever will  
this ~~case~~ battle I'm having with the  
only ~~one~~ Justice System please
